Flower Infusion Service You supply the flowers — we process and infuse them and return the finished material, for technical and aromatic applications.	€ 500 / kg

THCx vapes/cartridges: B2B export inquiries outside the Czech Republic only; unavailable in CZ. Supply requires prior legal, registration and compliance approval for the destination country. Submit requests through the sales representative who shared this catalog.

Flowers, hash and concentrates are offered exclusively for technical, horticultural and aromatic purposes and are not intended for human consumption or inhalation, in accordance with Section 5(5) of Czech Act No. 167/1998 Coll. The same applies to material processed or returned under our processing services. COA and compliance-document availability is confirmed per product and destination. Wholesale (B2B) offer for verified business partners aged 18+ only. The buyer is responsible for compliance with the regulations applicable in the country of destination. Prices are indicative and subject to change; this document is not a binding offer.

Květy, hash a koncentráty jsou nabízeny výhradně k technickým, zahradnickým a aromatickým účelům a nejsou určeny ke konzumaci ani inhalaci, v souladu s § 5 odst. 5 zákona č. 167/1998 Sb. Totéž platí pro materiál zpracovaný či vrácený v rámci našich zpracovatelských služeb. Dostupnost COA a compliance dokumentace se potvrzuje pro konkrétní produkt a cílovou zemi. Velkoobchodní (B2B) nabídka určená pouze ověřeným obchodním partnerům starším 18 let. Za soulad s předpisy země určení odpovídá kupující. Ceny jsou orientační a mohou se měnit; tento dokument není závaznou nabídkou.
